bringing out works of great importance to the lives of beloved characters, illuminating 1,000 years of history, covering missing years and generally dealing with themes beyond the scope of the ten novel series

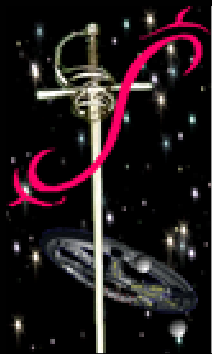

Living in the Okal Rel Universe

Key facts
underpin all
the stories

Like the nature of faster
than light space flight,
called Reality Skimming

Rire's transparent society,
made possible by non-
sentient AIs called arbiters

And the survival imperative behind the use of Sword Law
by the space faring cultures of Sevildom
